KHOR WAKOW SCHOOL PROJECT

*Thank you for your partnership in bringing hope*

**K**hor Wakow Project serves people of all ages. KWP touched the lives of 6,205 students this year alone.

- KWP serves 2,497 preschool students (1,103 girls and 1,397 boys).
- KWP serves 3,455 First through eighth grade students, (1,438 girls and 2,017 boys)
- KWP serves 253 adults (167 women and 86 men)

**S**outh Sudanese celebrated a Final Peace Agreement in Juba on Wednesday, October 31st, 2018. The Final Peace celebration was attended by the East African presidents and guests from around the world. The opposition's spokesperson and adviser who had been sentenced to death two years ago by the South Sudanese court were released as part of the peace deal. This led the "opposition leader" to attend the Final Peace celebration in Juba. The implementation of an actual peace process is yet to begin.

We ask you to continue to pray for South Sudanese to silence their guns and to embrace peace!!  
God bless you,

David Jal, Founder & Executive Director  
Brenda K. Hill, Education and Program Director

Dr. Beth Jensen is a Board-Certified Family Physician with Sanford Clinic. After 10 years of traditional practice, she resigned in order to challenge

cultural norms and attempt to improve food disparities in our community. She continues to work through Sanford Acutrnacare. Beth is married to Matt Jensen, administrator, marketer and thought-leader at Vance Thompson Vision. They have three daughters that attend Spanish-immersion schools and make their mother very proud.

Krista Youngberg is a Sioux Falls native. The majority of her time is spent co-managing the GreatLIFE Woodlake location and getting people involved

in fitness. She also works with a group of ninth graders from Ransom Church in Sioux Falls that keep her on her toes as she leads them through a life group on Wednesday evenings. Krista has a passion for connection. If that leads to other countries or to help in her neighborhood, God draws her to those opportunities. In her free time, Krista enjoys traveling, preferably to new continents, or drinking coffee beverages from various local coffee shops. She is excited to be working with the Khor Wakow Project and to provide education and opportunity to God's children around the world.

# 2019 Khor Wakow Project Annual Banquet

Please join us for the KWP Annual dinner on Friday April 5<sup>th</sup>, 2019, at First Evangelical Free Church. Your generosity is directly impacting thousands of men, women, and children every day in a country experiencing the horrors of war-- starvation, displacement, and continual unrest.

## Parade of Lights Fund Raiser

Thank you to Khor Wakow Project friends for another successful Hot Cocoa Fund Raiser at the 2018 Parade of Lights! Volunteers sold over 40 gallons of hot cocoa at the event, making it the most hot cocoa we've sold to date! All money raised will go towards schools and projects in South Sudan. From children to adults, all involved made this year another success.

For all the volunteers and for those who offered equipment, time and support THANK YOU.
